Celebrating the Reason for the Season  
at Holy Angels School

Mrs. O'Leary's 3rd Graders made ornaments for the "Jesse Tree." They learned about the ancestors of Jesus and celebrated those who prepared the "Way of the Lord!"

Mrs. Hoersten's 5th Graders prepared their hearts for Jesus by celebrating Advent. Each day they opened another door on the Advent Calendar and agreed to a deed that would bring them closer to our Lord through sacrifice. Students have been writing thank you notes, helping around the house without being asked, and praying for others.

**Holy Angels  
Open House is  
scheduled for  
Sunday,**

**January 29  
after 9 o'clock  
mass.**

**We hope you will  
come visit our  
school -**

**We would love to  
see you there!**

Junior High Students were busy wrapping presents for children in need. The gifts were collected by all grades through their "Angels Crews." Angels Crews are small groups of students grades K-8 who meet throughout the year and serve as support for one another. Every student at Holy Angels School belongs to an Angel Crew. In fact, this year's theme for the school is "Angels All Around!"

Thank you for helping us keep the doors of Holy Angels School open to all who wish to give their children the gift of a Catholic education. May God bless you in the coming year.

## Choir Sings at Dorothy Love

Wednesday, December 14th, the Youth Choir visited residents at Dorothy Love and shared some of their Christmas music with them. The choir sang several of the songs they have been working on this year and then, together, with the residents, they sang "Silent Night."

## Holy Angels Students Make Ornaments for Christmas Trees at Ross Historical Society

Holy Angels Students, under the direction of their art teacher, Mrs. Mitton, made enough ornaments to decorate seven Christmas trees at the Ross Historical Society! Students made manger scene ornaments, angels, doves, stars, and many other symbols of Christmas. The ornaments were beautiful and the students are eager to share them with their families.

Thank you to Mrs. Beigel and Mrs. Potts for the production of "Christmas Animals"

Congratulations to the 5th and 6th Graders for a successful production!

*Holy Angels Students prepare for Christmas by experiencing the sacrament of Reconciliation. Father Dan Schmitmeyer shares of hearing their confessions "It is a wonderful thing for the children and for me to grow spiritually."  
Merry Christmas!*
